# From the Elders' Desk

## A Blessed New Year!

We have come safely through 2024 despite the many challenges we encountered. Truly we can say "Hitherto has the Lord helped us" (1 Sam. 7:11). We face the New Year walking by faith and not by sight (2 Cor. 5:7).

We wish to express thanks to all the ministry and team leaders as well as each believer for your contribution to the progress that the Assembly made during the past year. As your spiritual leaders, we appreciate your prayers on our behalf as well as your support for new activities and approaches that we introduced. We especially commend you for your continued faithfulness in giving financial and material support to the Lord's work in the vineyard here at Elim Assembly.

**Evangelism** - During 2025, as a church, we will increase our activities to present the gospel to as many people as possible. We all must play our part by inviting family and friends to attend, especially our **Family and Friends Services** on the fourth Sunday of each month. In Addition, there will be several fellowship events (games evenings and fun day) to which we should invite family and friends. The evangelism and discipleship ministry needs workers/counsellors. Please contact Elder Isaacs about signing up for training.

**Our Sunday School Ministry** also needs assistant teachers and teachers. Please contact the superintendent, Sister Karen Isaacs and sign up for training. There are several other areas to serve in the church. Please consult the list in this newsletter and talk to any of the elders about serving.
